The University of Missouri-Rolla University Transportation Center (UMR-UTC) has been named as one of the 10 National UTCs in the Transportation Reauthorization Bill “Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFE-TEA-LU)” signed by President Bush on August 10, 2005.

UMR-UTC will support activities related to the goals and needs of State Departments of Transportation and Missouri Department of Transportation in particular.

Specifically,

- Innovative research in operations, materials, design, safety, security, policy, management, finance and economic development as it relates to the transport of people and goods in all modes.

- Education of future transportation professionals.

- Transfer of research results into practice.
